'Generation Crisis' is a common project of the Berlin based think-tank Demokratie&Dialog and the German association of young media makers Jugendpresse Deutschland in collaboration with the Association of Human Rights Educators AHEAD from Barcelona. Demokratie&Dialog (D&D) runs the leading portal on youth policy at [www.youthpolicy.org](http://www.youthpolicy.org). It is an organisation that generates and consolidates knowledge and information on youth policies across the policy cycle, ranging from analysis and policy formulation to implementation and evaluation. Jugendpresse Deutschland (JPD) organises the largest annual event for young media makers and has an extensive network of young journalists and editors. AHEAD is one of the most experienced organisations in the Spanish youth sector. 'Generation Crisis' is supported by Friedrich Ebert Stiftung and Erasmus + / Youth in Action.
